

Welcome to Offline E-Courseware for UG Level
(<http://ecourses.iasri.res.in/>)

e-Courseware on Agricultural Education

Under Learning and Capacity Building program of NAIP, several UG level interactive & multimedia e-Courseware contents in seven disciplines viz. Agricultural Science; Fisheries Science; Dairy Science; Veterinary and Animal Husbandary; Horticulture; Home Science and Agricultural Engineering have been developed by subject matter specialists of the respective discipline at SAUs and other organisations. This portal provides 24/7 services for online access of the UG level courseware to all the Teachers and Students Learners in the field of Agricultural Education.

For remote area institutions/ faculty/ students, free download facility is provided for using the e-Courseware contents offline. The downloaded file content folder could be independently extended from desktop and used to teaching / learning exactly in the same manner as any CD / DVD contents are used for offline e-learning.

Steps to Free Download

The following instructions may be followed to Download e-course contents.

1. On the [Home Page](#) Click on the desired UG level online e-course like ([B.Sc. \(Horticulture\)](#)) link. The following page will appear.

e-Learning Portal on Agricultural Education
(e-KrishiShiksha)

Home Objective Org. Struct. SAUs Reports Nodal Off. Contact Us

User Authentication to Download e-Courses

Hosted from IASRI, New Delhi @2013
Site has been visited Counter times since 19. July 2013.

Disclaimer :
The information on this website does not warrant or assume any legal liability or responsibility for the accuracy, completeness or usefulness of the courseware contents. The contents are provided free for noncommercial purpose such as teaching, training, research, extension and self learning.

In case you are an already registered user , the following step number 2 &3 will be ignored by the system and directly the webpage containing link of e-courses to download will appear. Then proceed from step number 4.

2. For the first time, new user will have to register by submitting his/her brief identity details

The screenshot shows the registration page for the e-Learning Portal on Agricultural Education (e-KrishiShiksha). The page has a green header with the ICAR logo on the left and a colorful logo on the right. Below the header is a navigation menu with links: Home, Objective, Org. Struct., SAUs, Reports, Nodal Off., and Contact Us. The main content area is titled "User Registration to Free Download e-Courses" and includes a "Humble request to submit the following information required for portal usage assessment at the country level". The registration form contains the following fields: Name (text input), Status (dropdown menu), E-Mail (text input, containing "tarun@gmail.com"), University Type (dropdown menu), SAUs/DUs/CUs/SVUs (dropdown menu), Colleges (dropdown menu), Name of University / Organisation (text input), Country (dropdown menu), and State (dropdown menu). A red note states: "*Select 'Others' only if you don't belong to any of the SAUs/DUs/CUs*". A "SUBMIT" button is located at the bottom of the form. The footer of the page features the Agricultural Education Division logo, the text "Website Developed & Maintained by Dr. R.C. Goyal under Emeritus Scientist scheme of ICAR Hosted from IASRI, New Delhi ©2013", and a counter showing "Site has been visited Counter times since 19, July 2013.".

3. On submitting of the brief details, a new page will appear containing links of different e-courses of your selected discipline.

The following instructions may be followed to download e-course content files and its offline usage from the computer.

4. Download the desired e-course contents and save it on your desktop. The downloaded file is in Winrar format.
5. Please close your mozilla firefox browser.
6. Extract the downloaded e-course content file using Winrar software on the desktop.
7. In case, Winrar software does not exist on your system, use the following [link](#) to download Winrar software. Download the flash plugins or flash player to open the flash visuals. Ignore if Flash Software is already installed in the system.
8. Look for extracted file folder and double-click the same.
9. Double-click the "**Startportableapps**" application file.
10. You will find a new window popping up.

11. Click "Moodle start".
12. You will find "http://localhost:8101/moodle/" and various courses being listed.
13. Click a particular lecture you want to browse and enjoy offline e-learning.
14. It may ask for Username and Password. You need to enter Username as "admin" and password as " admin" (please mind the lowercase as the login is case sensitive)
15. Do not close the browser window until you complete your reading; otherwise you have to start from step 6 / or sometimes step 5.
16. Enjoy reading the course

Thank You.
